

# Tibberton Parish Council

At the May meeting Councillors discussed progress with the Vehicle Activated Sign (VAS) project, flooding defence resources, village road and footpath maintenance actions as well as current planning applications. Details of parish response to planning issues are published with links on the village website.

Discussions with Two Rivers Housing on improving the community areas by the school and the Telephone Box have commenced. Improvement could include a new Parish notice board, a footpath chicane barrier at the entrance to Tibberton Lane and parking arrangements. Councillors would welcome involvement and comments from villagers particularly residents along Tibberton Lane, Orchard Rise and Phelps Way. Please contact the clerk for further details.
